

Farm Combined

Designed to simplify the insurance needs of a farm.

However complex, a tailored policy will allow a farm to be covered for all their needs under one policy.

This can include hobby farms & small holdings to large estates.

The product can also be used to protect buildings, machinery, livestock and everything in between.

Available Sections of Cover:

Agricultural Buildings

Agricultural Contents

Public/Product Liability

Employers Liability

Environmental Liability

Livestock

Milk in Tanks

Personal Accident Sickness

Goods in Transit

Household

Property Owners

Legal Expenses

Renewable Energy/Solar Panels

Alongside the cover provided by a farm combined policy, CCIB are also able to offer our customers access to a unique product which provides bespoke personal liability cover for farmers, rural business owners and managers, as well as protection for the business itself, **Rural Protect**.

This unique product has been developed by the rural insurance specialists at HB Underwriting in partnership with leading UK and global insurer, AXA, to fill a significant gap in the rural insurance market.

Key Features:

Covers shareholder and partner disputes, regulatory investigations and prosecutions, pension administration and employee dishonesty.

Unique legal expenses, unlimited and up front advice from a solicitor, includes access to rradarstation which is an advice and guidance tool.
