NEWSLETTER APRIL 2014

The calm after the storm...

This Winter has seen some of the worst storms we've seen over the last few years...our claims department was kept especially busy during February! Don't forget that we're here for all our customers as a first port of call should the worst happen and you find yourself needing to make a claim.

We can guide you through every step of the way and make sure your claim is processed as quickly as possible.

Our friendly team are only a phone call away, and if you want to put a face to the name, why not come to one of the agricultural shows we're exhibiting at this summer?

Anne, Debbie
and all the team at CCiB!
