COUNTRY & COMMERCIAL INSURANCE BROKERS LTD

NEWSLETTER AUGUST 2014

We have lift off...

This June saw the launch of FAB (Federation of Agricultural Brokers), a new and exciting string to CCiB's ever expanding bow! FAB provides the opportunity for like minded brokers to join together to support each other in our specialist field of agricultural broking. Therefore bringing the highest level of service and expertise to every customer! A positive step forward for all our customers and the insurance industry as a whole.

Anne, Debbie
and all the team at CCiB!

In other farming news.....

A Limousin heifer sold for a record price of 125,000 guineas (£131,250) at a specialist breed sale at Carlisle Market on 22nd August.
